"Puerto Rico"

Hello,

Yours was received several days ago and was glad as always to hear from you, it found all here well and happy, hope it will find all there the same. I am here in San Juan now and I have just finished talking to both Ray and Partlow, and both are very eager to play with your ball club. Ray said he wasn't going any place and that he had received a letter from you. Partlow said that he would like very much to play in Newark. So I hope their answers are satisfactory.

Well things here are pretty much the same, only the race for the second half is more exciting with only two more games to play Santurce is leading, followed by Aguadilla and Guayama, and all three have a chance to win the half, but Santurce is favored to win.

All the fellows are doing their gift shopping and having their last flings, every one is glad the season is nearly over, and are looking foward to having a good season there this summer. Well I guess there isn't any thing else to say so I guess I will close, hoping to hear from you soon. Oh yes T. J. Young is looking for a job this Summer, as you probably know

he is a catcher and is both a good catcher and hitter, bats left handed. I also saw Satchell Paige yesterday and he wanted your address so he can write you. In case you care to write to Young, his address is % Guayama Base ball Club, the same as Satchell's, and I guess this is all. Goodbye.
